

Reon the Lion ~ Raion

Thus, our final council member is a small, furry, soft, and cuddly cat named Reon.

However, he is a cat who is both the King of the jungle and the top boy in his kingdom; he is a lion, specifically a very rare Asiatic lion.

Reon has occupied his throne since day one, and nothing more beautiful has been found or observed in the wild. He was first in line to move to the Kami realm.

He can be a tiny kitten in one moment and then, out of nowhere, turn into the King of the Jungle, as frightening as a sabre-toothed tiger.
